Please, DO NOT bring the following items: desktop computers, monitors, laptops, printers, or external hard drives. In an effort to shred your sensitive documents in a timely manner, there is no need to remove binders, binder clips, paper clips, staples, rubber bands, or CDs/DVDs prior to shredding. Due to safety concerns and to ensure that we are able to serve as many vehicles as possible, we are unable to accept attendees on foot or allow consumers to get out of their vehicle to watch their paper shredded.
