Community Education

To further our mission of supporting your BBB’s vision of an ethical marketplace, your BBB Foundation seeks to educate businesses, charities and consumers to make wise buying and giving decisions.

Your BBB Foundation believes that empowering individuals to make informed decisions helps combat fraud and unethical behavior, championing BBB’s mission to be the leader in advancing marketplace trust.

We reach out to our local community in a number of ways:

Presentations

Last year, your BBB Foundation was the featured speaker at 33 presentations across northwest Florida. A total of 905 people were able to learn about BBB programs, scams against seniors, identity theft, and how to be a smart consumer. Attendees were able to ask questions about their unique situations and come away as empowered consumers and/or business leaders.

BBB Military Line

Your BBB Foundation believes that Financial Readiness equals Mission Readiness, and proudly helps military consumers and their families. Last year we arranged 20 presentations on military installations across northwest Florida. 490 military members were able to learn about BBB Military Line resources, scams targeting military consumers and how to protect themselves from identity theft.

Publications

The Lighthouse: Your BBB distributed 8,800 copies of our quarterly newsletter filled with information specifically for BBB Accredited Businesses and Charities.

Tuesday Tips: Every week your BBB distributes a weekly e-newsletter with tips on a variety of topics to safeguard thousands of businesses and consumers.

Industry Reports: Twice a month your BBB sends industry related information to ABs.

Tradeshows/Expos

Tradeshows and expos provide an excellent opportunity for your BBB Foundation to talk one-on-one with individuals about a variety of topics ranging from choosing a contractor, protecting against identity theft, common marketplace scams and more. Last year, your BBB Foundation participated in 7 expos/tradeshows, reaching 566 people on an individual level.

Secure Your ID Day

In 2019, your BBB Foundation and Gilmore Services, along with media partners WEAR-TV 3/WFGX 35 and Cat County 98.7/News Radio 92.3/1620 held one shredding event - Pensacola in April. We offered free document shredding (up to 50 pounds of sensitive documents) for individuals.

The April event had 1,812 vehicles come through and 68,000 pounds of sensitive documents were shredded, keeping them out of the hands of potential identity thieves.

The Fort Walton Beach event from October 2018 was re-scheduled for January 2019 where 1,084 vehicles came through and 35,000 pounds was shredded. The October event had 850 vehicles and another 35,000 pounds was shredded.

Preventing Identity Theft is critical. Shredding unneeded sensitive documents keeps them from being stolen or taken out of the trash and keeps families throughout northwest Florida safer.
