TIPS FOR SENIORS!

Your Tri-State Better Business Bureau
Phone: 812-473-0202 or 1-800-359-0979

- Register your phone number with the National Do-Not-Call registry at 1-888-382-1222.

- Don’t do business with someone who just shows up at your door. Check out a business first with your BBB.

- Don’t give personal or financial information to an unknown caller or through email.

- Never pay money to win a prize. Avoid wire transferring money to someone who calls or sends you a letter with a too-good-to-be-true offer!

- Resist high-pressure sales tactics. Read contracts thoroughly, ask questions, and get contact information first!

- Never pay the entire cost of a repair job upfront.

- Keep careful records of all transactions and shred documents before throwing them away.
